2. It shall be necessary that any alteration or revisions be proposed at not less than one (1) regular scheduled meeting prior to that at which it is adopted.

**ARTICLE VIII**  
**FINANCIAL MANAGEMENT**

**1.0 PURPOSE:**

- 1.1 To define the methods and establish the standards by which the King County Fire Chief's Association can effectively and efficiently manage the Association's financial resources.

**2.0 DEFINITIONS:**

- 2.1 **Fund Balance** – Is defined as the excess in total resources over total expenditures.
- 2.2 **Line Item** – for the purpose of this procedure, a line item shall mean an expenditure account in the Association’s budget to be used for the purpose of funding certain activities, supplies or services.
- 2.3 **Operating Budget** - for the purpose of this procedure, the Operating Budget is defined as those Association’s approved line item expenditures, which reflects the Association’s mission and goals of the Association which are to be funded and accomplished.
- 2.4 **Treasurer** – shall mean a member of the Fire Association who has been elected to the position of Treasurer, and delegated certain budgetary responsibilities to accomplish the Association’s specific goals, projects or services.

### **3.0 POLICY:**

- 3.1 The Association shall operate from an approved budget, which is based on established goals and objectives approved by the Association.
- 3.2 The Association shall approve a minimum Checking Account Balance and Savings Account balance and the purpose of those monies.
- 3.2.1 The intended use of Association monies shall be detailed in a proposed budget.
- 3.2.2 Monies shall be used to further the Mission of the King County Fire Chiefs Association.
- 3.2 The President of the Association will cause the establishment of a Budget Committee to be convened annually. The Budget Committee will be appointed each September and shall:
- 3.2.1 Be comprised of no more than three Association members and shall not include members of the Executive Board.
- 3.2.2 Anticipate the financial needs of the Association and make recommendations for spending based on the known annual expenses and any expense associated with additional goals or objectives set by the Association.
- 3.2.2.1. Financial planning and budgeting will be based on revenue and expenditure estimates that are reasonably predictable.
- 3.2.3 Provide the Executive Board with a proposed budget on or before the November meeting.

3.2.4 Provide the Executive Board with recommendations for any changes in the annual dues structure. Any adjustments to the annual dues structure, as required by the adopted budget, must be approved by the Association.

3.2.4.1 Dues shall be based on the Assessed Valuation of the area served by each jurisdiction. Each agency shall provide the latest AV information to the Treasurer at the beginning of each year.

3.2.5 The Executive Board will approve a proposed budget before taking to the full membership.

3.3 The proposed budget shall be presented to the full membership for approval by the December meeting.

3.4 The Executive Board shall have the authority to approve non-budgeted, one-time purchases up to \$500, without prior approval of the full Association. Any purchase request above this amount must be brought before the full Association for approval. Approval shall be from a simple majority vote. All purchases, regardless of the amount, shall be disclosed in the monthly budget report.

3.5 It shall be the policy of the Association to expend funds as efficiently as possible; to track and record such expenditures in the most effective and expedient manner; and to provide timely and accurate payment to all vendors.

3.6 The Association shall maintain a system of financial monitoring, control, and reporting for all of its funds in order to provide effective means of ensuring that the Association's overall goals and objectives are met.

3.7 Ongoing expenditures should be equal to or less than ongoing revenues. One-time resources and non-recurring ending fund balances may be used to fund one-time expenditures; they will not be used to fund ongoing programs.

3.8 It shall be the policy of the Association to maintain a prudent level of resources to guard against revenue shortfalls, or unexpected one-time expenditures. Sufficient fund balance shall be accumulated to meet this purpose and to provide fiscal stability to the Association.

3.9 The Association's fiscal year shall be from January 1 to December 31 of each calendar year.

3.10 At the conclusion of each fiscal year, the Treasurer, and at least one active member who does not serve on the Executive Board, shall facilitate an audit of the Associations financial records and bylaws. The Audit report shall be presented to the membership at the subsequent meeting.

#### **4.0 RESPONSIBILITY:**

- 4.1 The Association Treasurer, by authorization of the Association, has management authority over Association Funds. Primary responsibility, authority and accountability for expending Association funds are also vested in the Treasurer.
- 4.2 The Budget Committee shall be responsible for implementing a system of internal controls over the Association's financial processes to ensure accurate and timely recording and reporting of the Association's financial transactions and to reduce the risk of fraud or misappropriation of Association resources.
- 4.3 The Treasurer shall be responsible for preparing the monthly financial reports, the annual budget, and the annual financial report. The Treasurer shall also be responsible for maintaining the accounting records, invoicing, making bank deposits and processing payments.
  - 4.3.1 The Treasurer shall generate a monthly budget report to be included in the monthly board meeting packets that reflect all current account balances, deposits, and purchases.
  - 4.3.2 The Treasurer shall prepare budget and actual reports monthly that accurately reflect the position and activities of the Association as of the most recent ending month.
- 4.4 The Treasurer or his/her designee shall be responsible for monitoring the Association's financial transactions, for monitoring the recording those transactions and for monitoring budgeted and actual revenues and expenditures.
- 4.5 The Treasurer shall comply with all schedules and requirements of this procedure and shall insure that all forms, requests, bids, quotes, invoices, and orders are complete, correct, and contain all of the needed information.

#### **5.0 PROCEDURE:**

##### 5.1 General:

- 5.1.1 The operating budget shall include sufficient detail of the expected revenues and expenditures to allow the members of the Association to adequately monitor revenue resources and approved expenditures during the course of the year.
- 5.1.2 Complete banking records shall be maintained, including copies of all bank statements, and cancelled checks or bank copies of cancelled checks, as well as validated bank deposit slips.

- 5.1.3 Accurate accounting records shall be maintained that reflect the actual revenue and expenditure activity of the Association. These records shall be updated at least monthly.
- 5.1.4 King County Fire Chief's Association shall be used as the "Purchaser's Name" on all orders. Instruct vendors to send items/invoices "ATTN: (Treasurer's name)."
- 5.1.5 The Treasurer shall create a list of the invoices received for processing each month. This list shall include the vendor name, amount being paid, and corresponding check number or other identifying transaction number.
- 5.1.6 The list of all invoices and expenditures, deposits and revenues shall be included in the monthly budget report.
- 5.1.7 All Association revenues received shall be deposited into the Association's bank account in a timely manner.
- 5.1.8 The Treasurer shall make copies of the checks received. The copied checks shall be filed with the validated bank deposit slips so that each deposit can be identified with the corresponding revenue sources.
- 5.1.9 The Treasurer shall include a copy of the KCFCA's W9 form with each invoice submitted for Dues.
